

Kickoff Meeting Notes

Internal — creative partnership onboarding.

Attendees

- Client: growth lead, brand manager.
- CONVRTD: strategy, creative director.

Decisions

- Start with TikTok-first, Meta as secondary.
- Prioritise the switcher segment for month one.
- Weekly readouts every Thursday.

Action Items

- Client to share brand assets and past top performers.
- CONVRTD to deliver the first concept board in five days.
- Both to confirm the measurement dashboard access.

Notes

Team aligned that the creative should not look like an ad. Focus on native, phone-shot footage and objection-led hooks. Revisit budget split after the first test window.
