

Service Proposal: Monthly Creative Partnership

A scoped engagement for always-on performance content.

Scope

A monthly retainer delivering platform-specific creative bundles, a full strategy document, and iterative testing support. Everything is built for the platform it lives on.

Deliverables

- 30 platform-native assets per month.
- Monthly creative strategy document.
- Weekly performance readouts and iteration notes.

Investment

30 — Assets / month

48h — First-draft turnaround

Next Steps

Approve the scope, complete the onboarding questionnaire, and book the kickoff call. First assets ship within ten business days of kickoff.
